Let's enjoy Japanese culture!!

Through calligraphy and origami, play including the Kendama of Japan, I have you know the Japanese culture and bring up interchange together.

- ※Japanese play
- Penmanship
- Top spinning
- Kendama
- Grabbing beans
- Paper airplane play

The participant has a present. A small child, please participate, too.

Why did you go to Warabi-City?

I interview the foreign inhabitants and have you talk about the local charm that a difference and the Japanese of culture, the custom do not notice.

※Appearance

- China
- Vietnam
- Philippines
- Romania
- Ukraine

I have an Ukrainian person talk about the thought of the mother country, importance of the peace other than difference in culture..

I interchange together

A wonderful product is presented by the person who enjoyed a lot of Japanese culture. There is also interaction between participants through music.
